This is what I did to earn my Shakespeare Poetry Challenge:

Shakespeare's Words

This extract is from Shakespeare's play, *A Midsummer Night's Dream* (Act 2 Scene 1). These words are said by one of the fairies who serve the fairy queen Titania. The fairy is planning to organize a dance for the queen. Can you draw a beautiful picture inside the frame to go with the fairy's words? You may not know the meanings of all the words that Shakespeare uses, so we've helped you with some of the words.

Word meanings	
Brier	thorn bush
Pale	fenced-in space
Orbs	fairy rings
Cowslip	small yellow wildflowers
Pensioners	royal bodyguards
Savours	sweet smells

"Over hill, over dale,
Thorough bush, thorough brier,
Over park, over pale,
Thorough flood, thorough fire,
I do wander every where,
Swifter than the moon's sphere;
And I serve the Fairy Queen,
To dew her orbs upon the green.
The cowslips tall her pensioners be;
In their gold coats spots you see;
Those be rubies, fairy favours,
In those freckles live their savours.
I must go seek some dewdrops here,
And hang a pearl in every cowslip's ear..."

Draw here!

Can you find?

A Midsummer Night's Dream was probably performed before Queen Elizabeth I, and it seems that Shakespeare wrote some lines about her for Oberon the fairy king to say. In this picture you can see William Shakespeare saying Oberon's lines to the Queen. Can you spot the following things at Queen Elizabeth I's court?

Shakespeare
A quill
Queen Elizabeth I
A dragon
A Tudor rose
White stockings
Apples
A ruff
